

Proposed Youth Evangelism Initiative

The objective of the Youth Alive Evangelism Fund is to support innovative youth evangelism projects delivered through local youth ministries

There are two grants available:

Grant Option 1 | \$1,000 - \$2,000

The funding option will provide a maximum 75% contribution towards the total project cost. This would typically work for a pilot project.

Grant Option 2 | \$2,000 - \$5,000

The funding option will provide a maximum 50% contribution towards the total project cost. This would typically work to develop or scale a current initiative

To Apply:

- Provide the vision of the project and how it will help engage young people with the message of Jesus.
- Provide a description of the target audience and describe how the project will be tailored toward them.
- Provide a plan to deliver the project
- Outline how this evangelistic project is part of a broader strategy to connect young people with your local youth ministry.
- Commit to utilising Youth Alpha as a part of your follow-up strategy for this project
- Provide a detailed budget and a summary of how your youth ministry's finances are handled.
- How will you measure the success of the proposed project? As a part of this, please provide quantitative and qualitative goals and how they will be measured.
- Commit to a 'Project Reflection' survey to help Youth Alive create effective and innovative ideas and resources for other local churches and youth ministries in the future. This survey will require specific data including 'goals vs outcomes' for the project.
